Section 2 – Grant Narrative

Please replace this page with institution letterhead and respond with one paragraph per prompt.
You will be given points for each question below. Scores will determine the grant recipients.

Grant Worthiness Questions

1. Please describe your school, community, faculty and student body. (10 points)
2. Why do you believe technology integration is valuable? (10 points)
3. List your goals for using ***YouthTouch*** to enhance the learning process. (10 points)
4. Describe at least one objective you hope to achieve in the first year of implementation and tell us how you will measure achievement. (15 points)
5. How will you implement and manage the ***YouthTouch*** program in your school? (20 points)
6. Describe the staff development component of your implementation and management plan? (20 points)
7. Explain how you will sustain and grow the ***YouthTouch*** program in your school long term, especially if the original teachers have left the school. (20 points)
8. If awarded the grant, how will you share your YouthTouch experience with other school stakeholders, outside your building? Such stakeholders would include district administration, other schools in the district, parents, the community at large and Goldenrod Research. If you state that you will send Goldenrod pictures or tweets, for examples, we'll expect them! (15 points)
